Our Funeral Stationary Range

Personalised funeral stationary is a wonderful way of providing a lasting tribute to the life of a much-loved relative or friend.

Our designed range includes Order of Service, Attendance Cards, Memorial Cards and Thank You Cards. If you require any other designed item please speak to a member of staff and we will try our best to create what ever it is you require. All the above can be designed to suit your needs, including personal photographs, poems and your choice of hymns and readings.

Orders of Service are printed on thick silk coated paper, which gives vibrant colours without being too glossy.

Personalised Designs

All the designs within this brochure can be personalised to include colour or black and white photographs, and in many cases we can provide alternative choices of backgrounds, borders and flowers to suit your choices.

Photo Quality

We can try and undertake repairs to photographs to remove backgrounds, creases, tears or marks. We can also crop photos to cut other people out or enlarge them if required.

If you have any hard copy (original) photographs it is best to bring them into the office for a member of staff to scan them rather than take a picture then send to us. As the quality of the photo will be picked up better once scanned.

If you would like to send any photos from a digital device please email them to:

della@awassfuneraldirectors.co.uk

Please remember to send us photos of your loved ones for the order of service a week before the service is due to take place, in order for us to start the design process.

The amount of photos you send us is your choice, normally we would ask for you to send over one for the front cover and one for the back page, and you can have up to four extra ones for the middle pages if you wish.

Please email all photos and confirm your chosen design number with Della Brown:
