Let us take care of you.

"We understand that planning a funeral is one of life's most difficult moments, and we are here to support you every step of the way. Our venue is thoughtfully designed to provide a peaceful and supportive environment, where families can gather, reflect, and honor their loved ones. With three intimate suites, we offer the perfect space to bring together family and friends, ensuring that the occasion and the cherished memories you share are respectfully commemorated in a calm and serene setting."

Kevin Bird Suite:

The more intimate of our suites, this space offers a cozy setting for up to 100 guests. Featuring its own bar, toilets, TVs, and speakers, you can personalize the room with photos and music to reflect your memories.

Located within the main stand, the 1861 Suite is our largest, accommodating 80-250 guests. It's equipped with a full bar, 8 wall-mounted TVs, and speakers, creating the perfect environment for guests to relax and share their stories.

Set away from the main stadium, the Marquee offers a light, airy atmosphere for 100-400 guests. The space is heated and features wall-mounted TVs, speakers, and its own bar, along with staging options for your event.
